Badge Scanning at International Fastener Expo 2026

1 Scan

Quickly scan a QR code to exchange contact information; be mindful that badge scans will share your email and phone number, even if you've opted to keep those private.

A mockup of a mobile application interface for lead qualification. At the top, it displays the name 'Tommy Schlosser' and title 'Head of Something @ Grip' next to a five-star rating. Below the rating is a text input field for 'What are the lead's primary goals?'. This is followed by a dropdown menu for 'What is the priority level of this lead?'. At the bottom is another dropdown menu for 'Which marketing channels is the client currently using?'. The interface is framed by dark vertical bars on the sides.

2 Lead qualification and comments

Qualify leads on-the-spot to capture initial impressions, aiding in future follow-ups. All lead qualification data from badge scanning is included on My Team exports.

3 Continue the conversation

Don't just collect contacts—scanning a QR code connects you in the app, allowing you to quickly book a meeting unlocking the ability to continue conversations via chat.

PRO TIP

Badge scans will be available on your My Team export by default!
